

NORTHRICH COMPANY
HVAC Products

- Counter Flow & Crossflow Cooling Towers
- Closed Circuit Coolers
- Adiabatic and Dry Coolers and Condensers
- EvapTech - Field Erected Towers
- Chemical and Non-Chemical Water Treatment
- Replacement Parts for all Towers
- Mr. Good Tower Service

- Variable Frequency Drives
- Electronic and Manual Bypass

- New or replacement CW, DX, HW, Steam and Booster Coils

A Johnson Controls Company

- Modular Air Handling Units
- VAV Boxes

- Integral Face & Bypass Coils
- High Volume Vertical & Horizontal Heaters - Make-up Air

- Classroom Unit Ventilators

A Johnson Controls Company

- Custom Air Handling Units

A Johnson Controls Company

- Air-Cooled Chillers, Water Cooled Chillers and Condensing Units.
- Stock Air-Cooled Chillers

Comfort Conditioning Products

- Electric Heating Products

- Danfoss Turbocor Oil-Free Magnetic Compressors
- Water 60 to 3200 Tons
- Air-Cooled 60 to 500 Tons

- Plate & Frame HX – All Fluids

- Cabinet Unit Heaters, Convectors, Unit Heaters
- Baseboard Radiation, Radiant Ceiling Panels & Panel Radiators

- Laboratory Fume Hood Exhaust - Heat Recovery

A Johnson Controls Company

- Rooftops – 3 - 150 Tons
- Splits Systems up 50 Ton
- Packaged DOAS Units

- Vibration Isolation, Noise Control and Spring Isolators
- Certified Sound Results

- Laboratory Control Systems
- Airflow Measurement

- Fan Coil Units, Blower Coils, Cabinet Unit Heaters, Convectors and Unit Heaters

- PEP Water Filtration Products
- Media Filters, Disc Filters, Centrifugal Separators, Screen Filters, Cartridge Filters, Sweeper Jets and Bag Filters

- Packaged Energy Recovery Units with Enthalpy Wheels, Heat Pipes and Fixed Plate

- HVAC Package Systems
- Complete Offering of Pumps
- Design Envelope Variable Speed Series of Pumps
- Plate / Frame & Shell / Tube HX
- Air Separators & Expansion Tanks

- Water and Ground Source Heat Pumps
- Water to Water to 75 Tons
- Rooftop ERV'S, DOAS Units
- Vertical Stacked Heat Pumps

- Custom Air Handling Units

- Condair / Nortec is the World Leader in Humidification
- Electrode Steam, Gas Fired, Live Steam, Atomizing Humidifiers, Evaporative, High Pressure, Direct Room and Ultrasonic
