- Variable Dimensioning
- Stainless Steel, Fiberglass
- Galvanized, Wood & Concrete
- Cross-Flow & Counter-Flow
- Rental Towers

Bronz-Glow®
Protective Coatings

- Coil Coatings and cleaners
- Casing Coatings

- Water-Source Heat Pumps
- Rooftops
- 100% Outside Air

- Direct Replacement Energy Recovery Wheels for any Manufacture
- Replacement Cross Flow and Counter Flow Heat Exchangers

A Johnson Controls Company

- Variable Refrigerant Flow Systems
- Outdoor Heat Pump & Heat Recovery Modules 6-36 Ton
- Complete Offering of Indoor Units

A Johnson Controls Company

- Modular Air Handling Units
- VAV Boxes
- Fan Coil and Blower Coil Units

Kelvion

- Plate & Frame Heat Exchangers
- Shell & Tube Heat Exchangers

- Variable Frequency Drives
- Generation III

J.L. WINGERT CO.

- Clean Tower Separator Systems
- Bypass and Filter Feeders
- Tanks and Tank Stands

- Variable Frequency Drives
- Solid State Starters

A Johnson Controls Company

- Air-Cooled Chillers, Water Cooled Chillers and Condensing Units.
- Stock Air-Cooled Chillers

- New or replacement CW, DX, HW, Steam and Booster Coils

A Johnson Controls Company

- Energy Recovery Ventilators (ERV)
- Rooftop Package Unit
- Accessories and Roof Curbs

- Danfoss Turbocor Oil-Free Magnetic Compressors
- Water 60 to 3200 Tons
- Air-Cooled 60 to 500 Tons

A Johnson Controls Company

- Complete Offering of Fan Coils
- Blower Coils and Air Handlers

DIVISION RAE CORPORATION

- Water Cooled and Air-Cooled Chillers and Condensing Units
- Configurable Fluid Coolers
- Complete Custom Solutions
- Pump Packages

A Johnson Controls Company

- Rooftops from 3 to 150 tons
- Splits Systems from 6.5 to 50 tons
- Heat Pump Units
- Energy Recovery Wheels
- Packaged DOAS Units

- Air-Cooled and Water-Cooled Chillers
- Industrial Process Chillers
- Portable Chillers

- 100% O/A Water-Cooled Units
- Dehumidifiers
- WSHP Units up to 60 Ton

- Complete Offering of Pumps
- Integral Variable Speed Pumps
- ECM Technology
- Air Separators, Expansion Tanks and Heat Exchangers
- Booster Packages
